

STOKKE®

STOKKE® SLEEPY™

Your first bed turns
into your second.
And your third.
And fourth!™

STOKKE® SLEEPY™

Dream together.
Grow together.™

The Stokke® Sleepy™ bed's distinctive narrow oval shape creates a nest-like environment that is soft and safe, cosy and curvaceous - a secure, practical, enclosed area where your child's rich and unique fantasy life will know no limits. With adjustable height positions as well as the ability to grow with your child, Stokke® Sleepy™ expands to accommodate the changing needs - and sizes - of childhood while maintaining a comforting familiarity. The wheels mean that your baby can follow you as you move around the house, keeping you both comfortable, even during those daytime naps. Mmm... We're getting sleepy just thinking about it.

Always close.

The Stokke® Sleepi™ Mini's narrow wooden form gives your baby a sense of security whilst allowing you to wheel your baby around the house, never out of sight. Enough sleep for your baby and hopefully enough sleep for you.

Shape

Form that fits easily through door openings.

Wheels

Fitted with soft wheels to move around the house.

The Stokke® Sleepi™ Concept

Stokke® Sleepi™ is an evolving bed that your child can never outgrow. It moves, grows and develops - just like your child.

LONGEVITY

Solid beech wood and designed to grow

FITS THROUGH DOORS

(Stokke® Sleepi™ Mini)
The width of 67 cm allow you to bring it with you during baby's daytime naps

GROWS IN LENGTH

One bed that can be adapted as your child grows

1 ADJUSTABLE MATTRESS HEIGHT

For your child's own safety, preventing falls and making it easier on your back when lifting in and out

2

3

4

MOBILE

So that you can move your child around the house to keep close to you

inside from 75 cm to 165 cm
outside from 82 to 172 cm

Your first bed...

For Newborn

STOKKE® SLEEPI™ Mini 0-6 Months

Includes: mattress and drape rod
(size of bed 67x82 cm)

The Stokke® Sleepi™ Mini is the perfect first bed for your baby. It creates a nestlike environment that is comfortable and secure. Smooth action lockable wheels can be used to rock your baby gently to sleep, and makes your crib easy to move from room to room.

...turns into your second.

For Baby

STOKKE® SLEEPI™ Bed 0-18 Months

Bed extension + mattress
(size of bed 74x127 cm)

The Stokke® Sleepi™ Mini converts easily into Stokke® Sleepi™ Bed, creating a familiar environment for your baby. Adjust the height positions as your child grows. The Bed Extension is available as an add-on to Stokke® Sleepi™ Mini.

And third.

For Toddler

STOKKE® SLEEPI™ Bed
18 Months - 3 Years

(size of bed 74x127 cm)

The Stokke® Sleepi™ Bed accommodates your baby's changing development. Once your baby reaches the curious climbing stage, you can remove one side of the bed for easy access, and to boost feelings of freedom and independence.

And fourth!

For Junior

STOKKE® SLEEPI™ Junior
3 - approx. 10 Years

Junior extension + mattress
 (size of bed 77x172 cm)

The Stokke® Sleepi™ Junior is a comfortable bed for children up to around ten years old. Doubles-up as a practical mini-sofa, perfect for the playroom. Stokke® Sleepi™ Junior can even turn into two chairs. The Junior Extension is available as an add-on to Stokke® Sleepi™ Bed.

STOKKE® SLEEPY™

AWARDS AND CERTIFICATES:

STOKKE® BOUNCE 'N' SLEEP

The Stokke® Bounce 'n' Sleep is a unique, flexible daybed and bouncer concept that changes function depending on you and your baby's needs.

STOKKE® CARE™

Stokke® Care™ is a changing table that becomes a desk and a bookshelf and a TV stand - but first and foremost it's a tool to make the nappy changing enjoyable and intimate.

STOKKE® KEEP™

Your children's cherished possessions are just as important to them as yours are to you. Stokke® Keep™ is designed specifically for kids' stuff, with easily accessible shelves and open doors and a base module created especially to take a child's weight.
